ACKNOWLEDGEMENT

The satisfaction and euphoria that accompany the successful completion of task would be incomplete without the mention of the people who made it possible, whose constant guidance and encouragement always boosted the morale. We take a great pleasure in presenting a project, which is the result of a studied blend of both research and knowledge.

We first take the privilege to thank the Head of our Department, **Prof.R.Sivaranjani**, for permitting us in laying the first stone of success and providing the lab facilities, we would also like to thank the other staff in our department and lab assistants who directly or indirectly helped us in successful completion of the project.

We feel great to thank **Mrs.K.S.DEEPTHI**, who is our project guide and who shared her valuable knowledge with us and made us understand the real essence of the topic and created interest in us to work day and night for the project; we also thank our B.Tech coordinator **Mrs.T.Kranthi**, for her support and encouragement.

We also like to thank **Mr.P.Sainath Vital** for providing us the lab resources; we also thank our friends and college staff who extended their part of support in the successful completion of the project.
